

TWISTED TOGETHER.—Our word *strength* comes from a word signifying twisted together. „The Lord is the strength of my life;” „God is the strength of my soul.” Then my life is twisted together with the Lord. God and my soul are as two strands twisted together. One may have no strength at all, but while twisted together with one that is infinite, the weakest shall not fail. Then with what confidence we may say, „The Lord is the strength of my salvation.”
