

::R0141 : page 5::

“TRUTH is always consistent with itself, and needs nothing to help it out. It is always near at hand, sits upon our lips, and is ready to drop out before we are aware. A lie is troublesome, and sets a man’s invention on the rack, and one trick needs a great many more to make it good. It is building upon a false foundation, which is continually in need of props to shore it up.”
