

::R0347 : page 2::

A WORD TO ALL

Your chart should hang in a much-used room; you should often run over it mentally, noting its various points, and thus be refreshed with the hopes illustrated, and prepared to give a general presentation of its significance to interested friends; an explanation of Chart is in "*Food*," p. 105. Our American readers may all have them by ordering—they cannot be mailed to Europe.
