"FOOD" AND "TABERNACLE TEACHINGS"

We still have some of these pamphlets for those who have not yet read them. We desire, however, to keep them for those whose appetite has been sharpened by first reading the October number of Z.W.T. Let such order them, but for loaning or giving to uninterested ones the October paper is best. We can send you as many of the latter as you can use.

FOOD FOR THINKING CHRISTIANS is a pamphlet of 162 pages. "THE TABERNACLE AND ITS TEACHINGS" contains 96 pages. Both are published from the *Tract Fund* and are FREE.
