ABOUT PAPER-COVERED DAWNS

Since the exclusion of paper-covered DAWNS from cheap postage privileges the cost of mailing has been almost equal to the price of the books; hence we have made a special effort to bring the cloth and leather editions before the friends, partly because the price is little more than the

present rate would be on the paper bound books, and partly because those better bound are much more substantial as well as attractive in appearance.

There will therefore be no further edition of DAWN printed in *book* form in *paper* covers. If orders for same are received we shall have to hold for further instructions, or return the remittance.

Since, however, there is need for a cheap edition of Vol. I. for missionary purposes, we issued, as a special number of the WATCH TOWER, Vol. I. in magazine form. This edition is not an abridgement; it constitutes the entire book, except the "Appendix" and Scripture Index, and is excellent for introducing the Truth to those who show some interest. We have plenty of these on hand to fill orders. The price is 5c each, postpaid, in U.S. or Canada; 9c each to other foreign countries, in any quantity, to one or various addresses. This edition is published both in English and in German.
